

SUBSTITUTE SPECIFICATION SUBMITTED PURSUANT TO 37 CFR 1.125

Applicants respectfully request that the substitute specification submitted herewith under 37 C.F.R. 1.125 in connection with the National Phase of the international application mentioned above be entered. The substitute specification contains no new matter. The substitute specification is based on the English translation of the as filed Japanese International Application which is attached. The English translation of the Japanese International Application has been edited for clarity to comply with USPTO practice and procedure.

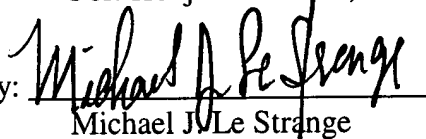

Conclusion

Applicants respectfully request the foregoing amendments to the claims and the substitute specification be entered in this case without objection.

Respectfully submitted,

For: Kohji Hosokawa, et al.
